

Criminal Interview & Interrogation *Instruction in Multiple Techniques*

Over the last 25 years Wicklander-Zulawski & Associates, Inc (WZ) has provided training to a large majority of local, county and state law enforcement agencies. WZ has also conducted standard, as well as customized, training for the FBI, U.S. Army, Transportation Security Administration, Federal Air Marshal Service, U.S. Immigration and Customs Enforcement, U.S. Citizenship and Immigration Services, Inspector General Criminal Investigator Academy, U.S. Department of Veterans Affairs and Bureau of Diplomatic Security Services.

The WZ Seminar on Criminal Interview & Interrogation is unique in that it provides training in *multiple* techniques of interview and interrogation. The WZ Non-Confrontational Method is a structured, conversational approach that often results in an admission (*or multiple admissions*) without the suspect ever making a denial or protesting his innocence. Moreover, the resulting legally acceptable confession often includes information not revealed during the investigation.
