

BINGE-WORTHY LEARNING

Unable to make it to an in-person seminar? No problem, we can't make it either. In an effort to keep us all connected, we've created and refined our virtual learning suite. As organizations embrace the remote working experience to empower their teams regardless of location, **we're here to help.**

Travel restrictions don't equal training restrictions. Take control of your development and sign-up today.

THE LINK Powered by WZ

Already WZ Trained? Practice and master your interview skills with three levels of difficulty in a simulated environment

LIVE Webinars

Hosted by a 'Live' WZ instructor, dozens of open registration webinars are available to individuals or as a web series for teams

1-on-1 Virtual COACHING Sessions

A personal mentoring session with a WZ instructor to overcome challenges, strategize your approach and seek feedback specific to your situation

VIRTUAL Training

A virtual learning experience to emulate our best-in-class in-person training. Same methods, same content, same certificate, NEW environment

10-Hour ONLINE Investigative Interviewing Courses

Select a 10-Hour program tailored to your profession. Each course covers proven WZ methods, is self-paced and includes a certificate of completion
