### NEW Open Source Investigations

The online world offers a nearly limitless resource for finding publically-available information once you know how to structure your search, verify information, and learn how to use websites to their full potential. The WZ Open-Source Investigations curriculum is split into three levels and available as separate registrations or in a discounted bundle.

**SEMINAR HOURS** 9:30am-4:30pm

**ONLINE PROGRAM** \$300 per level or bundle all three for \$795

**OS1 1.0** provides an overview of OSINT and the intelligence cycle. Learn the importance of anonymity, how to focus on methodology over tools, and practice what you learn.

**OSI 2.0** is an in-depth exploration of location and event investigations. Learn how to geolocate images and collect evidence as events happen with ten hands-on exercises and case studies.

**OSI 3.0** is an advanced course that explores the more technical aspects of open source investigations, focusing on business investigations, online due diligence, and dark web investigations.
