

# CRIMINAL INVESTIGATIVE INTERVIEWING TECHNIQUES

Not all interviews are the same, and no case is ever like the next.

The reality for interviewing professionals is you can't predict every interview scenario's outcome. What you can do, however, is set yourself at a strategic advantage by walking into every conversation equipped with multiple investigative interviewing techniques.

The 3-day WZ Seminar on Criminal Investigative Interviewing Techniques is designed to teach and reinforce the sound fundamentals of the investigative process. WZ's evidence-based, proven techniques offer cutting-edge methods to conduct more effective interviews for securing an admission or confession, in a legally acceptable manner.

Using actual investigations, this course offers a diverse collection of case studies to provide strategic tactics to establish guilt and prosecute the offenders.

## COURSE TOPICS INCLUDE

- Rapport
- False Confessions
- Interpreting Behavior
- Environment
- Cognitive Interview
- Participatory Method
- WZ Non-Confrontational Method
- Showing Empathy
- Understanding Resistance
- Developing Details
- Obtaining the Statement

## BECOME MORE EFFICIENT AND EFFECTIVE IN

- Using most appropriate method for each case and subject
- Obtaining the truth more quickly and accurately
- Substantiating and closing more successful investigations
- Ensuring statements will be admissible at trial

## REAL-WORLD APPLICATION

WZ instructors know our methods are effective because they use them every day. Our instructors are CFI's (Certified Forensic Interviewers) who remain highly active and knowledgeable in the field of investigations. Each Investigative Interviewing seminar is taught by an experienced practitioner, with examples drawn straight from real-world application.
